- Units, Special Characters and the Chaos Dwarfs (The Legion of Azgorh) army list from Tamurkhan: Throne of Chaos will be allowed in this event. Players **MAY NOT** mix Warriors of Chaos/Daemons of Chaos and Chaos Dwarf units. Players fielding units from this book **MUST** have a copy of the book and it **MUST** be made available to your opponent at all times. You will **NOT** be allowed to field any models or units that you cannot produce the most current set of rules for.
- Units and Special Characters from the Warhammer: Thanquol army book will be allowed in their respective armies, following all rules outline in the book. Battlescrolls and Formations from the Warhammer: Thanquol army book **WILL NOT** be allowed in this event.
- Players using army lists from The End Times books may use Army book-specific magic items, but only characters from their armies of origin can take Army book-specific items (e.g., a Dark Elf Death Hag BSB cannot take the Banner of the World Dragon from Warhammer: High Elves).
- The Magic of The End Times special rules from Warhammer: Khaine **WILL NOT** be in effect regardless of army played or if one player wants to use them.
- Special/Named Characters are allowed. This includes named unit champions. Additionally, Special Characters from The End Times books may be taken in the respective armies they are allowed to be taken in (e.g., Valten, Crom the Conquerer, & Karl Franz Ascendant).
- Dwarfs of Chaos count as Forces of Destruction.
- Rhinox Riders are **NOT** allowed.
- New rules sources that are released after February 19th, 2015 will not be allowed in this event.
- The Warhammer Fantasy Battles 8th Edition Rules and all relevant [Games Workshop Errata and FAQs](#) will be used. In addition, we are developing an [AdeptiCon FAQ](#) to be used in all events that is subject to change as more rulings are needed and as new rules are released/modified.

**** IMPORTANT ****

Per the October 22, 2014 Warhammer Fantasy Errata, this event will utilize the updated army composition chart which allows up to 50% of your army to be comprised of Lords and Heroes within their respective categories, subject to modification.

While we realize not everyone in the community, nor everyone on the AdeptiCon WFB team for that matter, agree with or like this change, the AdeptiCon events will support the 'rules as written' by Games Workshop.

WARHAMMER FANTASY CHAMPIONSHIP

- Each player must provide seven (7) **PRINTED**, not handwritten, army lists, one for each of their opponents, one to be turned in at check-in to the judges and one for their own reference. Your army lists **MUST** contain the following:
 - All points, stats, and items each unit entry.
 - Generals/Hierophants **MUST** be declared on your army list.
 - If your army contains Wizards, the Lore that each Wizard uses **MUST** be declared in their entry on the army list. If an item grants you knowledge of a spell from a Lore that you may pick (e.g., Ring of Volans), you must declare that on your army list as well. Any wizard that is allowed to choose their spells prior to the start of the game **MUST** list those chosen spells on their army list. In the case of wizards that may choose to generate spells from multiple tables (e.g., Grey Seers, Nagash, etc.), this declaration must also include how many times you are rolling on each table available, a number which cannot change during the event. Teclis **MUST** choose either the Lore of High Magic or whichever 8 spells he will use during army construction. This choice **MUST** be noted on your army list and cannot change over the course of the tournament.
- Each player **MUST** bring an objective marker on a 40mm square base, themed and painted to match their army. This objective marker will not block line of sight unless otherwise mentioned in the scenario.
- This will be a closed list environment, but you must provide your opponent with your army list at the end of the game.
- Fortitude, as defined in the Blood & Glory scenario in the main rulebook, will be used extensively throughout this event. While Fortitude may not be used to determine the winner in each scenario, objective points will be available through Fortitude. This may or may not be Fortitude summoned during the course of the game.
- The Chaos Ascendant scenario special rules will not be in use. Chaos Wizards (Warriors of Chaos, Demons of Chaos, and Beastmen) will not automatically know 'Summon Infernal Legion' as it is a part of the Chaos Ascendant scenario special rules.
- Terrain is fixed. If terrain moves (e.g., Blood Forest, Tree-Singing, because of display boards, etc.), please return it to its starting location before and after the game.
- Building rules are in effect per the main rulebook.
- All forests are counted as Mysterious Forests and follow all rules outlined in the main rulebook.
- All water features will be counted as Mysterious Rivers and follow all rules outlined in the main rulebook.
- Wood Elves are allowed their free forest; however they must be fully painted and complete with trees (no pieces of paper).
- All players are expected to abide by the [AdeptiCon Conduct Policy](#).
- The models used in your army must comply with the [AdeptiCon Model Policy](#) (all models **MUST** be **WYSIWYG** and 3-colors). Any summoned models **MUST** be fully painted and based to match your army as per normal rules. These must also be displayed with your army for appearance judging.
- If illegal units or rules violations are found in a player's list, at a minimum, the models in violation will be removed from all subsequent play. Tournament points may be deducted and award eligibility may be forfeited. Please use the feedback form on the [AdeptiCon 2015 website](#) to ask any questions you or your club may have regarding rules issues or legal units in advance!
- AdeptiCon Tournament Judges' and Officers' rulings are final and arguments or poor conduct by players will not be tolerated. AdeptiCon reserves the right to remove players from the event or AdeptiCon itself with no refunds allowed.

++ BATTLE ++

During each game of the Warhammer Fantasy Championships, there are up to 15 total points up for grabs. 9 of those points are won by achieving victory in the game. Additionally, each player may earn up to 3 Bonus Battle Points and 3 Bonus Objective Points per round.

Battle Result	Battle Points
Victory	9 points
Draw	6 points
Loss	3 points

Victory is achieved by winning your game by 100 VP or more, using the Standard Victory Point values from the BRB Pg 143 unless specified otherwise in the scenario.

++ SPORTSMANSHIP ++

Maximum: 40 points. Each Player is expected and required to use the highest level of sportsmanship at all times while involved in the Warhammer Fantasy Championship Tournament. At the end of each game, your opponent will rate your Sportsmanship by using a Sportsmanship checklist. This checklist account for 40 out of the 75 possible Sportsmanship points available.

1. Was your Opponent on Time and Prepared to play with all needed items? YES/NO
2. Did your Opponent Measure accurately and play at a timely pace? YES/NO
3. Did your Opponent know his/her rules and handle rules disputes reasonably? YES/NO

Circle One regarding your Opponent and **Not the Army**:

0	1	2	3	4	5
The Worst Opponent I Have Ever Played	This Opponent Was Awful	This Opponent Displayed Average Sportsmanship	This Opponent Was OK	This Opponent Displayed Good Sportsmanship	This Opponent Is My New Best Friend

If you circle 0 or 5, you will have to provide a written explanation as to why. If you receive more than 1 score of zero, you will not be eligible to win any awards other than tourneys choice.

Best Sportsmanship Voting: After the 5th game, players will choose their two favorite opponents from the tournament and rank them Best Sportsman and Runner-up Sportsman. This vote is mandatory and will be part of your final results sheet. Each Best Sportsman vote a player receives is worth two (2) Best Sportsmanship points. Each Runner-up Sportsman vote a player receives is worth one (1) Best Sportsmanship point. A player can earn up to 10 points from Best Sportsmanship votes. These points only count towards determining the Best Sportsmanship award and do not figure into your overall tournament score.
