AdeptiCon reserves the right to modify, update, clarify, or change event rules in the interest of making AdeptiCon the best event possible. No fundamental rules changes will be made after 2/29/2016.

GENERAL RULES

- The AdeptiCon Malifaux by Gaslight Achievement League 2016 will be run using **ALL** of the following:
 - The rules presented in the Malifaux 2.0 book
 - The most recent Errata and FAQs
 - The [M2E Gaining Ground Tournament Packet](#)
 - With the following changes/additions superseding rules presented in the [Gaining Ground 2016 Tournament Packet](#).
- Players will be provided an achievement score booklet when they sign up for the league. This will be your record of achievements. **DO NOT LOSE IT AND KEEP IT IN GOOD SHAPE!**
- After playing a game where an achievement was scored both players must find an approved scoring marshal to stamp their score card.
- Any Malifaux games played over the weekend can count towards achievements. This includes tournament games.
- **Achievement Score Cards must be turned in to the Malifaux judges table by 3 PM.**
- Awards will be handed out on Sunday at 4:30 PM for most achievements points scored (and possibly a few secret ones). You must be present to win.
- Malifaux by Gaslight is intended as a fun, non-competitive event for multiple players of all skill levels. Play any games, open play or event games, on Thursday through Sunday and track your achievements.
- Proxies are allowed at this event for models that are not available readily before **FEBRUARY 29, 2016**. The official cards must be used. Photocopies/prints are allowed. However, we always recommend people use the Print on Demand Service from [WargameVault.com](#). All Proxies and Conversions **MUST BE** approved by the Tournament Organizer BEFORE FEBRUARY 29, 2016. NO PROXIES WILL BE APPROVED AFTER FEBRUARY 29, 2016. When planning your proxy, think to yourself "*If I put this model in front of someone who plays Malifaux often would they know what it represents without me saying anything?*" If so, it will likely be approved. If not, it will likely not be approved. Send photos of your proxy to adepticonsean@gmail.com for approval.
- You must have the latest official printed stat card for each model, including proxy models. For Errata models that have not made it into the Arsenal Decks or Print On Demand Service, this means a printout of the Errata Card from the [Resources Section of the Wyrd website](#). The tournament staff will not be able to provide printouts. So, don't leave home without them.
- The recommended system for marking wounds and conditions is as follows
 - Every attempt should be made to keep the table clean so as to avoid confusion in the eventuality a judge needs to make a ruling. In an effort to assist this, we recommend that each player pick ONE type of counter to be used on the table if necessary to mark conditions or that the model has activated.
 - If a die is desired to be used to mark wounds, let your opponent know at the start of the game. Use the format of marking wound TAKEN on the dice for consistency. So, if a model has taken no wounds, there should not be a die by it. D6's only.
 - If using dice for wounds and conditions, they must be of differing colors and easily discernable by your opponent and the judges. Also, inform your opponent which is which before the game.
