EVENT SUMMARY

AdeptiCon is proud to announce that it will once again host the Bolt Action U.S. Nationals tournament. This event will test the skill and luck of every participant in what is bound to be an historic event. Pack all the ammo you can carry!

There will be a theme score contributed to your overall ranking. *Please consider this seriously.*

Your army must be painted to a minimum standard of 3 colors, plus a base. The base must be painted or flocked. No unpainted armies or figures will be allowed.

ARMY BUILDING

*Lists must be submitted 2 weeks prior to the event. **03/10/2018**. Lists should be sent here, wyrdhobbyservices@gmail.com

Failure to submit an army list before the above deadline will result in a 5% overall points deduction.

Army lists must be formed using a **generic** reinforced platoon or **theater selector** from appropriate supplement books. This is a 4 game event with the 1st round requiring a “recon” variant of your 1000 point army. Platoon specifics are as follows:

1-2 infantry platoons OR 1 armored platoon

Selected from:

“Armies Of”

**Armies of Germany, V2
Armies of United States
Armies of Great Britain
Armies of the Soviet Union
Armies of Imperial Japan

Recon Platoon: 500 point army list built from the units and models of your 1000 point main force. Example, Jon Smith builds his 1000 pt army, now he must build a 500 variant of that list using only the models in the original list. This will be used for round 1 only.

**No War Reporter units are allowed (This is an optional internet release)
Only units listed in the appropriate army book or the official Warlord “Additional Units” PDF.

DEPLOYMENT CLAUSE (Familiarize yourself, this is used in all missions)

This deployment clause applies to ANY and ALL missions. What this means is this is the same deployment protocol for all the missions used. UNLESS the mission specifically makes exceptions.

Both players roll a die. The highest rolling player chooses a deployment zone, the other player sets up in the opposite zone. The player who chose their zone first, deploys his force first.

Both players may keep up to half their units in reserve, rounding down. Any and all units not in reserve are deployed in the established zones as per the mission.

Reserves may outflank unless specified in the mission.

Spotters, observers, and snipers are deployed after both players have placed their non-reserved units. As per the rules on page 131.
