Warhammer 40k National Team Tournament

This banner event returns, bigger and better than ever! Game clubs and 40k veterans from across the nation compete in a truly unique experience in which 4-player teams battle it out in a 2-day, 5-game mega-tournament to resolve who will be crowned the 2004 National Team Tournament Champions.

Warhammer Fantasy Championships

This year marks the first-ever AdeptiCon Fantasy Championships. This 2-day, 5-game tournament, at 2,150 pts with messenger rules, is a perfect warm-up for the Grand Tournament season. Participants in this event are guaranteed to play against some beautiful armies and battle-hardened generals!

Warhammer 40k Championships

Bring your 1,500 pt force for a 3-game classic tournament. We've modified the current Grand Tournament competitive scoring system and added our own narrative twist for greater character and flavor. Be prepared for some wild missions and objectives!

Warhammer 40k Youngblood's Championships

For the younger hobbyists and players in our ranks! This 1500 pt, 3-game tournament is designed exclusively for players 16 and under.

Warhound Titan Raffle (see picture at right)

The Adeptus Windy City Game Club will be raffling off their painted Forge World Imperial Warhound Titan. Each paid and registered attendee will receive one complimentary raffle ticket towards winning the Titan model!
