WAR GAME MODELS & ACCESSORIES

GLADIATORS OF PAINT

With many paint competitions now being held by individual manufacturers, [Warlord Games](#) and [Trenchworx](#) would like to take part as well!

Welcome to the Gladiators of Paint! A paint competition focused on the historical side of the hobby, ranging from the ancients all the way through the modern era.

In this competition, you will be pitted against your fellow hobbyist and gamers in an epic duel of brushes in whichever category you see fit to enter!

There will be categories aimed towards Warlord and Trenchworx models as well as an "Open" category where all makes and models of historical theme are accepted. In all categories there will be a first, second and third determined by judging of award-winning painters as well as votes from the community!

Ready your brushes!!
