## BITZ TRADING

*Bitz is BACK!*

*We listened.... Bitz Trading is back at AdeptiCon! That's right, the place to bring all your unwanted models, games, and unfinished projects to sell or trade to someone else that won't finish them either!*

*This year, show up on Saturday night for a few hours, hang out and get rid of everything you don't want. This will be the first year back after our break. There are some changes listed below to make the event run smoother and create a long-term plan for Bitz Trading at AdeptiCon.*

### GENERAL RULES

- **What:** The return of Bitz Trading!
- **When:** Saturday Evening, 7:00PM – 9:00PM (check-in begins at 6:00PM and setup at 6:30PM)
- **Where:** Renaissance Schaumburg Convention Center Hotel – Wintergarden (outside the Schaumburg Public House, 2<sup>nd</sup> floor)
- **Participation in Bitz Trading REQUIRES the purchase of an AdeptiCon Badge.** Attendees can procure a table section to trade bitz on a first-come, first-served basis.
- Attendees **MAY NOT** set up in the selling or trading of any items or merchandise in the public spaces of the hotel or the convention center at any other time.
- Registration will begin at 6:00PM in the Wintergarden. Look for bright orange AdeptiCon staff hoodie.
- You **MUST** present a picture ID and your AdeptiCon Badge to receive a Bitz Trading ticket.
- **Tickets for Bitz Trading will be \$60.00 per space.** \$50 of this fee will be returned to you once your area is 100% clean. In short, clean up your mess – please!
- **Bitz Trading is NOT for commercial sales.** At least 75% of the items you bring to trade should be bits, models that are in some state of assembly, used items or merchandise that is no longer commercially available. (Some new in box items are acceptable) Ideally, what you want to trade should be able to be brought into the Bitz Trading area by a single person, in one trip, without a luggage cart or a team of horses. Participation and setup can and will be based solely on AdeptiCon staff discretion if you are outside the spirit of Bitz Trading.
- AdeptiCon attendees who do not want a table section, but still want to barter for items, may bring a single, reasonably sized container into the Bitz Trading area. Please do not bring rolling duffels or large boxes, as they cause traffic jams in the aisles.
- Attendees wishing to procure a table section at Bitz Trading will be given a numbered ticket at signup that corresponds to a random table section. **You MUST display your ticket next to the section number always while trading.** There will be one chair provided for each section.
- Only the attendee who signed up for the section may utilize it. Tickets cannot be combined, transferred, or traded to another person or attendee.
- Table sections will be approximately 30" wide and 30" deep. **All your items MUST fit within your table section to comply with the regulations set by the Fire Marshal.**
- All traders are expected to abide by the [AdeptiCon Conduct Policy](#).
